NutriFreaks

Meals to your doorstep

Nutritious food is key to a healthy lifestyle. We offer meal plans designed for your goals such as fat loss, muscle gain, healthy lifestyle or managing conditions like diabetes. Our meals feature fresh ingredients to meet your daily needs for protein, fiber, vitamins, and minerals, all while ensuring great taste!

MEAL PLANS

FAT LOSS

Designed to promote healthy weight loss, this plan focuses on calorie deficit, balanced macronutrients, and high-protein meals to help burn fat while maintaining muscle.

DIABETES REVERSAL

Focused on stabilizing blood sugar levels, this plan includes low-glycemic foods, fiber-rich vegetables, and healthy fats. Ideal for managing or reversing Type 2 Diabetes.

MUSCLE GAIN/ BODYBUILDING

High in protein and tailored to fuel your workouts, this plan supports muscle recovery/growth with lean meats, plant based proteins, and nutrient-dense carbs.

HEALTHY LIFESTYLE

For those who want to maintain a balanced, nutrient-dense diet, this plan includes a variety of wholesome meals, perfect for overall wellness and long-term health.

CUSTOMIZED DIET

Your diet can be tailored to your specific dietary needs and goals, whether you're focused on food allergies, medical conditions, or personalized fitness objectives.

WE CATER TO YOUR PREFERENCES

1. Non-Vegetarian

Our non-vegetarian meals feature lean meats and seafood, paired with wholesome grains, pulses, vibrant vegetables and fruits.

2. Vegetarian

Our vegetarian meals are packed with plant-based proteins, whole grains, and fresh vegetables and fruits, ensuring all your nutrient needs.

3. Vegan

100% plant-based, these meals exclude all animal products while providing high-quality nutrients through a mix of legumes, grains, fruits, and veggies.

4. Lactose or Gluten Intolerance

We offer separate meals for those with lactose or gluten intolerances. Our dairy-free options are rich in calcium and essential nutrients, while our gluten-free dishes use alternative grains.

5. Allergies

If you have food allergies, we carefully avoid allergens while ensuring nutritional balance.
